# Premium mausoleum opportunities in the heart of Springvale

Due to the overwhelming demand for positions within Springvale Botanical Cemetery's Saint Padre Pio Mausoleum, we are proud to announce the third and final stage of construction.

Architecturally designed to harmoniously reflect the adjacent original structures, stage three will feature a new, specially commissioned bronze statue of the loved Saint Pio of Pietrelcina (Saint Padre Pio) with his arms outstretched towards little children.

## BUILT TO THE HIGHEST STANDARDS - QUALITY FROM THE INSIDE OUT

Due for completion in late June 2019, this beautiful, light-filled mausoleum is built over four levels, sheltered from the elements and will feature premium courtyard positions. It will also incorporate the finest finishes, including polished granite shutters, textured stone walls and terrazzo and bluestone floors.

Thoughtful landscaping includes immaculate hedge-lined courtyard gardens, distinctive pines and a restful lawn area for peaceful reflection.

Importantly, as the international award winning Springvale Botanical Cemetery is administered by the Southern Metropolitan Cemeteries Trust, you are assured that the third stage of the Saint Padre Pio Mausoleum will also be engineered, built and maintained to the highest standards.

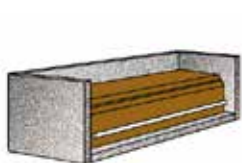

### MAKING AN APPOINTMENT TO CONSIDER YOUR OPTIONS

At Springvale Botanical Cemetery, we would be honoured to arrange an appointment for you to view our plans and consider your options. To make an obligation-free appointment, please contact one of our Customer Care Consultants on (03) 8558 8278 or email [sbc@smct.org.au](mailto:sbc@smct.org.au).
